APPEAL

ADOPT PATIENTS TO HELP US PROVIDE PALLIATIVE CARE

Palliative care aims to reduce health related suffering for people with advanced illnesses.

Penang Hospice Society (PHS), registered in 2001 is a charitable tax-exempt, Non-Government organisation. Our focus is providing Palliative Care for patients with advanced, life threatening illnesses. This includes patients who no longer respond to curative treatment. This care does its best to improve the quality of life of the patients and their families through the prevention and relief of suffering by means of early identification, assessment and appropriate treatment of pain and other problems – physical, psycho-social and spiritual.

THE HOSPICE AT HOME PROGRAMME

This programme provides Palliative Care by experienced doctors and nurses in the homes of patients with advanced diseases. This innovative service, not provided by the Government Health Service, is provided free of charge. Since starting this service in 1992, we have serviced about 10,000 patients and their families.

OUR APPEAL

The average annual cost for looking after a Hospice patient is only RM1,500. We appeal to you and/or your ORGANISATION to ADOPT one or more patients.

We will provide you permissible information of the patient/s you adopt, and provide you with regular updates.
